**Hearing Voices, Demonic and Divine**-Christopher C. H. Cook 2018-12-07 The Open Access version of this book, available at www.taylorfrancis.com/books/9781472453983, has been made available under a Creative Commons Attribution-Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

**God’s Many Voices**-Liz Ditty 2018-08-21 FOREWORD BY JOHN ORTBERG “Many people claim to ‘hear God’s voice,’ though not always with discernment. I’ve found Liz Ditty to be a trustworthy guide in learning how to listen, and how to do so with wise discernment.” —Philip Yancey, Best-selling author “Liz Ditty writes with warmth, humor, and grace about the spiritual practices that too often feel overwhelming. She approaches the spiritual life with simplicity and generosity and tells a story of learning to listen to the voice of God that inspires me to do the same. God’s Many Voices is a book for anyone who believes God is still speaking, and anyone who needs a friend to walk them directly toward that Holy Voice.” —Micha Boyett, Author of Found: A Story of Questions, Grace, and Everyday Prayer Do you wish to hear God speak to you in your everyday life? God’s Many Voices will help you discover a God who is infinitely closer and more involved in our world than we give Him credit for. This book is an invitation to learn God’s voice from the scriptures and then recognize it everywhere in daily life. Author Liz Ditty uses biblical teaching and relatable examples, reinforced with reflective exercises at the end of each chapter to open readers’ ears and hearts to what God is telling them. Only His voice in our lives can give us confidence in our decisions and dreams, give us freedom from our fears and failures, and lead us toward the joy of being fully alive, accepted, and loved by God.

**Love Poems from God**-Various 2002-09-24 Sacred poetry from twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays “All kinds of beautiful poetry.” –Hoda Kotb In this luminous collection, Daniel Ladinsky—best known for his bestselling interpretations of the great Sufi poet Hafiz—brings together the timeless work of twelve of the world’s finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi’s joyous, ecstatic love poems; St. Francis’s loving observations of nature through the eyes of Catholicism; Kabir’s wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa’s sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all “love poems by God” from writers considered “conduits of the divine.” Together, they form a spiritual treasure to cherish always.

**The Seven Voices of God**-Dr. William H. Goddard 2008-10-30 EVERY THING BEGINS with the Word of God. God speaks everything into existence. With God Word and deed go together. Whatever God says, He does. When God said: “Let there be light”, there was light. God’s Word is powerful. His Word can lift up or bring down. His Word is never weak or wavering. His Word is truthful and trustworthy. When God speaks, something happens. I have heard God speak to me seven times. This is a personal story of my life and ministry with particular focus on my reaction to the seven times I know that God spoke to me.

**Surprised by the Voice of God**-Jack S. Deere 2010-06-15 If You Believe Miraculous Gifts Have Ceased, You’re in for a Big Surprise! What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere’s life when he took a fresh look at the Scriptures. He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In Surprised by the Power of the Spirit, Deere provides a strong biblical defense for the Spirit’s speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in a popular style, with the care of a scholar but the passion of personal experience, this book explores: - The real reason Christians do not believe in miraculous gifts - Responding to Charismatic abuses - Were miracles meant to be temporary? - Why God still heals “Must” reading for all Bible-believing Christians. I wish with all my heart I could place it in the hands of every conservative evangelical." - James Robison, Life Outreach International

**Peace I Speak 2 the 3 Part Me, While God Is Speaking 2 All of Us, Through His Word, John 12:30**-Dru L. Murray 2014-09-25 This book is about me, using the Word of God to speak to my spirit, my soul, and my flesh, while God is speaking to all of us through His Word. This book is about the conversations we have with ourselves, as to who we are, and what we as humans are made of. I believe that we are a three part being, and in this book I explore the spirit, soul and flesh, that causes these battles of conversations many of us have today. We are sometimes not sure who is doing the talking and why, but this book explains in detail how the Spirit of God sounds, how the soul of man sounds, and how the flesh of the enemy sounds during these internal meetings. It is our duty to discern in our sou, as a human being, whether we yield to good or evil, God or the devil, your choice. Many times the voices we hear in our thoughts, can sometimes lead us wrong in life, but by the grace of God this book can silence all the other voices we hear, leading us to hope in Christ, allowing the only voice that matters to be heard loud and clear, and that is the voice of God, through His Son, Yeshua, Jesus, The Christ. In the book of John 12:30 Jesus says that "This voice came not because of me, but for your sakes". The flesh will always war after the spirit, but what side are you or an, and what voice will you listen to? God is the Spirit, humans are the soul, and the enemy is the flesh. You, the soul of a human, that is yourself, we have to decide which voice will reign in our lives, and once we understand which part of us is speaking the most and the loudest, in us, the Spirit, soul, or flesh we will begin to understand where and why the battles of conversations, the voices exist. We all cannot talk at the same time, and there is only one voice that matters and thats God's, through His Word. This book is an instrument to lead people to God through His Voice Yeshua, also known as Jesus, The Christ, the Savior, and salvation that he offers of himself. Have you accepted Yeshua, Jesus, The Christ into your life? This book is a place to start with Jesus, because God is the only voice that can silence all other voices. I was tired of hearing voices that didn't matter, and God used this book fo me to sort out those unsolicited ones, that hindered me and kept me from hearing His. This book is anointed by and through the Holy Spirit, that we all may begin to hear and know the voice of God. This book is a vehicle for God to bless you and my sincerest prayer is that it does. The flesh and spirit will always war, but the soul has to make a decision and can decide today who will reign in your life. What voice are you willing to listen to from now on? I believe that this book can cause you to hear the voice of God. All you have to do is read and listen, and let those who have ears hear what God has said in this book, because it's all from God through His voice heard in the Bible, the greatest book ever written.

**Voices from the Heart of God's Inspired Word**-Allan Martling 2011-01-03 These 150 meditations are paraphrases of our common human experience and therefore a way of uniting our divisive world. We find three voices providing food for our journey. The Mortal voice speaks of loss, rejection, honesty, faithfulness, integrity, discovery, joy, and God's continuing presence in it all. The Mediator voice is at times teacher, then mentor, and often narrator. In a very inspiring way, the voice of God is a feminine voice, Mother (El Shaddai, the Hebrew breastfed God; womb of our being). Take one meditation a day, in a quiet place, if possible. Chew and savor as nourishment for your mind and soul.

**A Good Quire of Voices: The Provision of Choral Music at St.George's Chapel, Windsor Castle and Eton College, c.1640-1733**-Keri Dexter 2019-09-25 This title was first published in 2002: Until relatively recently, musicologists' account of church music in post-Restoration and early Georgian England has been substantially incomplete due to an almost exclusive preoccupation with the music and musicians of the Chapel Royal. The balance is now being redressed and this book begins the task of filling one of the remaining gaps in our understanding of the field. The volume represents a detailed examination of the practical workings of a choral foundation during the later 17th and early 18th centuries, placing the musicians within their wider historical and social contexts, and based on a comprehensive survey of extant archival material.

**One God Two Voices**-Deidre Hester 2015-12-01 An inspirational, faith-based guide to raising the next generation of leaders—based on the real-life experiences of two amazing educators. Hailing from the hills of West Virginia and the ghettos of New York City, two teachers—one an older Caucasian and the other a younger African American—somehow find each other in the halls of a middle school in Hampton, VA. Becoming the best of friends, Deidre Hester and Sue Whited join together to educate their eighth-grade students in curriculum and life. One God Two Voices comes from their hearts as they speak to teachers, parents, students, and the world at-large on diverse topics, such as the racial divide (from the O.J. Simpson trial to the tragic deaths of Trayvon Martin and Michael Brown), repeating history, “acting white,” and the reality of being a teacher while maintaining your integrity, sanity, and sense of humor. From the tragic shooting death of a student who had sung Boyz II Men’s version of “It’s So Hard to Say Good-bye to Yesterday” in the eighth-grade talent show to the guidelines for setting a model of leadership in the classroom, One God Two Voices weaves together the authors’ unique and personal teaching experiences to create an inspirational tapestry of faith and education. **The Last Great Book**-William Marzul 2013-05 The Last Great Book is a final message from the God of Abraham to the Modern Age passed through a messenger chosen in a supernatural manner to share the fact that The Second Coming is on the horizon as the great monotheist faiths and Western Civilization begin their concurrent and inevitable decline during the End Times. It is not a message to instill fear in the hearts of his children but rather to express God's eternal love, compassion and mercy as well as justice to all mankind. There is an expanded definition of His Love and the hope that He Comes again to a peaceful and tranquil earth and not to a situation where humans simply cannot abide by the Word of God and the social contract entered into so long ago. The Introduction lays the groundwork for the Three parts of The Last Great Book and the more comprehensive message to be shared by the author. It also needs to be noted that this work is meant for the much greater audience, is an easy read and not meant to be a scholarly work meant only for a select few of the educated elite.

**Little Hart**-Marion W. Richardson 2015-12-12 What an exciting time it is in the life of a Christian when they have the privilege of a lifetime spent seeking the Lord. The promises are spelled out in the scriptures. There are rewards for a nation such as having your prayers heard, sins forgiven, and the land healed. Individuals can expect to have life, righteousness rain down, get rewards, have a heart which rejoices, and not want for any good thing. Further, upon seeking God, one can expect to be hid in the day of the Lord's anger, to have His hand upon them for good, and to be delivered from fear. Finally, He assures that if we seek Him, He will be found. What great blessings these are for those who, like the hart, "panteth after the water brooks, so panteth my soul after thee, O God." (Psalm 42:1) Believers are not left without direction on how to seek the Lord. The Bible contains jewels of scripture which counsel to seek Him with all your heart, to seek him first, early, continually, and diligently. Seek to dwell in His house all the days of your life, to behold His beauty, and to connect with Him in His temple. (Psalm 27:4) Colossians 3:1 encourages one to "seek those things which are above, where Christ sitteth on the right hand of God." As you seek to familiarize yourselves with places to seek God, I encourage you to read the references included as they will help you find a better understanding of how God works through these situations. Just as He was with the peoples of old, He is with each and every one today. He is there in the deepest valleys as well as on the highest mountain tops. He is trustworthy and diligent in the wilderness and whirlwind. He is dynamic and strong as in the fire, storm, waters, and the deep. He is awesome and sovereign in His omnipresent providence through the harvest, the heavens, and the wonders. As your spirit connects to God, in His Holy Temple and His gift through the Blood of The Lamb, both which reveal their completeness in His Word, may you encounter The supreme Father, God, in all His power and majesty as the Psalmist writes in, Psalm 42:7 "Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me."

**Biblical Women's Voices in Early Modern England**-Michele Osherow 2016-12-14 Biblical Women's Voices in Early Modern England documents the extent to which portrayals of women writers, rulers, and leaders in the Hebrew Bible scripted the lives of women in early modern England. Attending to a broad range of writing by Protestant men and women, including John Donne, Mary Sidney, John Milton, Rachel Speght, and Aemilia Laneyr, the author investigates how the cultural requirement for feminine silence informs early modern readings of biblical women's stories, and furthermore, how these biblical characters were used to counteract cultural constraints on women's speech. Bringing to bear a commanding knowledge of Hebrew Scripture, Michele Osherow presents a series of case studies on biblical heroines, juxtaposing Old Testament stories with early modern writers and texts. The case studies include an investigation of references to Miriam in Lady Mary Sidney's psalm translations; an unpacking of comparisons between Deborah and Elizabeth I; and, importantly, a consideration of the feminization of King David through analysis of his appropriation as a model for early modern women in writings by both male and female authors. In deciphering the abundance of biblical characters, citations, and allusions in early modern texts, Osherow simultaneously demonstrates how biblical stories of powerful women challenged the Renaissance notion that women should be silent, and explores the complexities and contradictions surrounding early modern women, their speech, and their power.

**Voices of Israel**-Joseph Cohen 2012-02-01 Cohen takes an in-depth critical look at three novelists and two poets who stand at the forefront of contemporary Israeli literature, and whose works have been widely read, studied, and admired in the Western world. The critiques examine all English translations of these Israeli writers[] major works from the beginning of their careers up to the present. Cohen demonstrates the vitality and virtuosity of the so-called New Wave Israeli writers whose sources and influences are as ancient as the stories of the Hebrew Bible and as modern as the interiorization of reality found in Proust, Faulkner, Woolf, and Joyce; and the literary adaptation of relativity found in Borges, Lowry, and Durrell.
