So, similar to you require the books swiftly, you can straight get it. Its appropriately categorically simple and as a result fats, isnt it? You have to favor to in this tune

Arik-David Landau 2014-11 An in-depth portrait of the Israeli political and military leader evaluates his decisive roles in major historical events throughout the past four decades while analyzing the dramatic reversal that marked his decisions as prime minister, offering insight into how his views have been shaped by the dynamic nature of Israeli society.

Ariel Sharon-Uri Dan 2015-03-24 In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict--from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative
biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate, definitive portrait of Ariel Sharon—a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon gravely ill and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.

**Warrior**-Ariel Sharon 2002-03-16 Israel's newest prime minister as of February 6, 2001, Ariel Sharon is a dynamic and controversial leader. A hero in Israel's wars, perhaps the most daring and successful commander in Israel's extraordinary military history, Sharon has always been a warrior, whether the enemies were hostile Arab nations, terrorists, Time magazine, or rival politicians. The public man is well known -- aggressive in battle, hard-line in politics -- but the private man has always been obscured by Sharon's dazzling career and powerful personality. In this compelling and dramatic auto-biography, the real Sharon appears for the first time: a complex man, a loving father, a figure of courage and compassion. He is a warrior who commands the respect and love of his troops, a visionary, and an uncompromising, ruthless pragmatist. Sharon tells his story with frankness, power, intelligence, and a brilliant gift for detail. Always controversial, he is as outspoken as his friends -- and enemies -- would expect him to be.

**Like Dreamers**-Yossi Klein Halevi 2013-10-01 Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In Like Dreamers, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of
brothers played pivotal roles in shaping Israel’s destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel’s future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel’s capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, Like Dreamers is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

I Am Ariel Sharon—Yara El-Ghadban 2020-11-17
A bold and innovative novel, I Am Ariel Sharon dives into the tortured mind of the controversial Israeli prime minister as he lies comatose and faces an ultimate reckoning. Award-winning Palestinian Canadian novelist Yara El-Ghadban imagines the confrontation at death’s door between Ariel Sharon, the “King of Israel,” and the women closest to him — his mother, his wives, and the mysterious nurse Rita. Like latter-day Greek furies, they lament the brutality of his life and maltreatment of the Palestinian people and demand he face up to his part in the bloodshed of Israel’s wars. Here is an extraordinary, magical, and impassioned story of nearly impossible empathy, the singular work of a novelist in full flight.

Ariel Sharon—Nir Hefez 2006 Presents the life of the former prime minister of Israel, exploring his long military career, rise to political power, dramatic personal life, and his influential approach to maintaining Israel's right to exist in the Middle East.

The Heights of Courage—Avigdor Kahalani 1992
Kahalani, commander of a tank battalion on the Golan Heights, describes his experiences during the Yom Kippur War. His stark account traces the efforts of the Israel Armored Corps as they struggle to overcome extreme difficulties and setbacks.

**Moshe Dayan**-Mordechai Bar-On 2012-06-26
Instantly recognizable with his iconic eye patch, Moshe Dayan (1915-1981) was one of Israel's most charismatic—and controversial—personalities. As a youth he earned the reputation of a fearless warrior, and in later years as a leading military tactician, admired by peers and enemies alike. As chief of staff during the 1956 Sinai Campaign and as minister of defense during the 1967 Six Day War, Dayan led the Israel Defense Forces to stunning military victories. But in the aftermath of the bungled 1973 Yom Kippur War, he shared the blame for operational mistakes and retired from the military. He later proved himself a principled and talented diplomat, playing an integral role in peace negotiations with Egypt. In this arresting biography, Mordechai Bar-On, Dayan's IDF bureau chief, offers an intimate view of Dayan's private life, public career, and political controversies, set against an original analysis of Israel's political environment from pre-Mandate Palestine through the early 1980s. Drawing on a wealth of Israeli archives, accounts by Dayan and members of his circle, and firsthand experiences, Bar-On reveals Dayan as a man unwavering in his devotion to Zionism and the Land of Israel. Moshe Dayan makes a unique contribution to the history of Israel and the complexities of the Arab-Israeli conflict.

**Fortress Israel**-Patrick Tyler 2012-09-18
In the late 1940s, David Ben-Gurion founded a unique military society: the state of Israel. A powerful defense establishment came to dominate the nation, and for half a century Israel's leaders have relished continuous war with the Arabs with an unblinking determination.
The Investigator-Terry Lenzner 2013-10-08

The Los Angeles Times once called investigative lawyer Terry Lenzner “one of the most powerful and dreaded private investigators in the world.” In his fifty-year career, Lenzner has worked with politicians, celebrities, governments, and corporations worldwide; with a steadfast commitment to the truth, he has uncovered facts that have shaped policy and influenced major legal battles. In this captivating memoir, Lenzner speaks about his varied career and high-profile cases for the first time. At the Justice Department in 1964, he investigated the murder of three civil rights workers—an infamous event that inspired the film Mississippi Burning. He led the national Legal Services Program for the poor, prosecuted organized crime in New York, defended peace activist Philip Berrigan, and represented CIA operative Sid Gottlieb. As a counsel to the Senate Watergate Committee, Lenzner investigated Nixon’s dirty tricks and followed the money trail that led to the Watergate burglary and cover-up. He was the first person to deliver a congressional subpoena to a sitting U.S. president. He uncovered cost overruns of the Alaska oil pipeline, helped identify the Unabomber, investigated the circumstances of Princess Diana’s death, and cleared Hugo Chavez of false corruption charges. Lenzner also worked with President Clinton’s defense team during the impeachment hearings. The Investigator is a riveting personal account: Lenzner astounds with anecdotes of scandal and intrigue, offers lessons in investigative methods, and provides an eye-opening look behind some of the most talked-about media stories and world events of our time.

My Country, My Life-Ehud Barak 2018-05-08

WINNER OF THE 2018 NATIONAL JEWISH BOOK AWARD

The definitive memoir of one of Israel's most influential soldier-statesmen and one-time Prime Minister, Ehud Barak, with insights into forging peace in the Middle East. In the summer of 2000, the most decorated soldier in Israel's history—Ehud Barak—set himself a
challenge as daunting as any he had faced on the battlefield: to secure a final peace with the Palestinians. He would propose two states for two peoples, with a shared capital in Jerusalem. He knew the risks of failure. But he also knew the risks of not trying: letting slip perhaps the last chance for a generation to secure genuine peace. It was a moment of truth. It was one of many in a life intertwined, from the start, with that of Israel. Born on a kibbutz, Barak became commander of Israel's elite special forces, then army Chief of Staff, and ultimately, Prime Minister. My Country, My Life tells the unvarnished story of his—and his country's—first seven decades; of its major successes, but also its setbacks and misjudgments. He offers candid assessments of his fellow Israeli politicians, of the American administrations with which he worked, and of himself. Drawing on his experiences as a military and political leader, he sounds a powerful warning: Israel is at a crossroads, threatened by events beyond its borders and by divisions within. The two-state solution is more urgent than ever, not just for the Palestinians, but for the existential interests of Israel itself. Only by rediscovering the twin pillars on which it was built—military strength and moral purpose—can Israel thrive.

A Soldier's Story-Rafael Eitan 1992 This autobiography of one of Israel's most controversial military and political leaders offers an insider's view of Israel's military strategies and includes vivid descriptions of their most dramatic and historical battles. "Battle-scarred, he (Eitan) is living testimony to Israel's struggle for survival".--Yitzhak Rabin, former Defense Minister & Prime Minister of Israel. Photographs.

Menachem Begin-Daniel Gordis 2014 " A fascinating biography of the sixth prime minister of Israel that explains how the pre-state terrorist became the first Israeli leader to sign a peace treaty with an Arab country. B>eviled as a fascist demagogue by his great rival Ben-Gurion, venerated by Israel's underclass, the first Israeli
to win the Nobel Peace Prize, a proud Jew but not a conventionally religious one, Menachem Begin was a complex and controversial figure. Born in Poland in 1913, Begin was a youthful admirer of the Revisionist Zionist Ze'ev Jabotinsky, and soon became a leader within Jabotinsky's Betar movement. A powerful orator and mesmerizing public figure, Begin was imprisoned by the Soviets in 1940, joined the Free Polish Army in 1942, and arrived in Palestine as a Polish soldier shortly thereafter. Joining the underground paramilitary Irgun in 1943, he achieved instant notoriety for the organization's devastating bombings of British military installations and other violent acts. Intentionally left out of the newly established Israeli government, Begin's right-leaning Herut political party became a fixture of the opposition to the Labor-dominated governments of Ben-Gurion and h

### Obedience, Struggle and Revolt - David Hare

2005-12-27 What is a political playwright? Does theatre have any direct effect on society? Why choose to work in a medium which speaks to so few? Is theatre itself facing oblivion? All frequent questions addressed to David Hare over the last thirty-five years, as his work has taken him from the travelling fringe to the National Theatre, from seasons on Broadway to performances in prisons, church halls and on bare floors. Since 1978, Hare has sought uniquely to address these and other questions in occasional lectures given both in Britain and abroad. Now, for the first time, these lectures are collected together with some of his more recent prose pieces about God, Iraq, Israel/Palestine and the privatisation of the railways. Bringing to the lectern the same wit, insight and gift for the essential for which his plays are known, Hare presents the distilled result of a lifetime's sustained thinking about art and politics. "The foremost theatrical chronicler of contemporary British life." New York Times "Our best writer of contemporary drama." Sunday Times

Israel in the American Mind-Shaul Mitelpunkt
2018-05-10 This book examines the changing meanings Americans and Israelis invested in the relationship between their countries from the late 1950s to the 1980s. Bringing to light previously unexamined sources, this study is the first to investigate the intricate mechanisms that defined and redefined Israel's place in American imagination through the war-strewn 1960s and 1970s. Departing from traditional diplomatic histories that focus on the political elites alone, Shaul Mitelpunkt places the relationship deep in the cultural, social, intellectual, and ideological landscapes of both societies. Examining Israeli propaganda operations in America, Mitelpunkt also pays close attention to the way Israelis manipulated and responded to American perceptions of their country, and reveals the reservations some expressed towards their country's relationship with the United States. By contextualizing the relationship within the changing domestic concerns in both countries, this book provides a truly transnational history of US-Israeli relations.

The Zoologist's Guide to the Galaxy-Arik Kershenbaum 2021-03-16 From a noted Cambridge zoologist, a wildly fun and scientifically sound exploration of what alien life must be like, using universal laws that govern life on Earth and in space. Scientists are confident that life exists elsewhere in the universe. Yet rather than taking a realistic approach to what aliens might be like, we imagine that life on other planets is the stuff of science fiction. The time has come to abandon our fantasies of space invaders and movie monsters and place our expectations on solid scientific footing. But short of aliens landing in New York City, how do we know what they are like? Using his own expert understanding of life on Earth and Darwin's theory of evolution—which applies throughout the universe—Cambridge zoologist Dr. Arik Kershenbaum explains what alien life must be like: how these creatures will move, socialize, and communicate. For example, by observing fish whose electrical pulses indicate social status, we
can see that other planets might allow for communication by electricity. As there was evolutionary pressure to wriggle along a sea floor, Earthling animals tend to have left/right symmetry; on planets where creatures evolved in midair or in soupy tar, they might be lacking any symmetry at all. Might there be an alien planet with supersonic animals? A moon where creatures have a language composed of smells? Will aliens scream with fear, act honestly, or have technology? The Zoologist's Guide to the Galaxy answers these questions using the latest science to tell the story of how life really works, on Earth and in space.

**The Missing Peace**-Dennis Ross 2005-06 The respected ambassador and chief Middle East negotiator in both the Clinton and Bush administrations offers a sober, candid assessment of the peace process from 1988 to the present, covering Camp David, Oslo, Geneva, and Egypt; the assassination of Yitzak Rabin; and much, much more. Reprint. 50,000 first printing.

**Start-up Nation**-Dan Senor 2011-09-07 START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.
Palestine Speaks-Cate Malek 2014-11-11 The occupation of the West Bank and Gaza has been one of the world’s most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children’s center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement.

The Biological Universe-Wallace Arthur

2020-09-24 Current state of play in astrobiology, including exoplanets and their atmospheres, habitable zones and the likelihood of evolution elsewhere.

The Four Noble Truths-Geshe Tashi Tsering 2010-07 The first step toward a solid foundation in Buddhist thought! The Foundation of Buddhist Thought series is an excellent introduction to Tibetan Buddhism. These unique books, based on the curriculum of a popular course of the same name, were developed by Geshe Tashi Tsering, a Tibetan scholar renowned for his ability to render Buddhist teachings accessible and relevant to everyday life. Geshe Tashi Tsering's Foundation of Buddhist Thought courses are systematic introductions to Buddhist philosophy and practice. With this series of books drawn from his highly successful courses, his insights can now be enjoyed by a wide audience of both specialists and newcomers to the Buddhist tradition. Geshe Tashi's presentations combine rigor and comprehensiveness with lucidity and...
accessibility, never divorced from the basic humanity and warmth of his personality. In Geshe Tashi, we encounter the new generation of Tibetan monk-scholars teaching in the West who are following in the eminent footsteps of Geshe Wangyal and Geshe Sopa. This volume, the first of six, provides a complete presentation the Buddha's seminal Four Noble Truths, which summarize the fundamentals of the Buddhist worldview. Indeed, they are an essential framework for understanding all of the other teachings of the Buddha.

**Ten Minutes from Normal**-Karen Hughes
2004-12-28 A New York Times bestseller from President George W. Bush’s “most essential advisor” (ABC News). An inside look at the life of Bush’s most respected aide and confidante, as she balanced her role as one of the most influential women ever to set foot in the White House against her role as a wife and mother. “The rule of thumb in any White House is that nobody is indispensable except the president,” said The New York Times, “But Karen Hughes has come as close to that description as any recent presidential aide.” Ten Minutes from Normal is the often humorous, disarmingly down-to-earth, and politically fascinating journey of her time in Bush’s inner circle. As Counselor to the President for his first eighteen months in the White House and as his communications director since he first ran for Governor of Texas in 1994, Hughes was a crucial influence. When he first moved to Washington, Bush told members of the White House staff that he wanted Karen in the room whenever any major decisions were made. Being a journalist, she was fascinated by politics and inspired by people who sought elective office to improve their communities. When she married and became the instant mother of a nine-year-old stepdaughter, she realized her priorities had changed: Family mattered, and she didn’t want to live as if it didn’t. Thus her life became one of balancing her career ambitions and her deeply felt sense of service and duty with her responsibilities and love for her family. In various Republican campaigns in Texas, she worked from...
home with her young son, Robert, beside her. She planned the 1990 Republican State Convention from her driveway while Robert played in the dirt at her feet. Karen tried to bring the perspective of a working mom to the White House, often asking the question she first learned as a reporter: “What does this mean to the average person?” Her exhilarating life in Washington was unlike anything she had experienced before, yet the lack of balance between her service to the President and country and her service to her family was a daily struggle. By the spring of 2002, Karen found herself in turmoil. She knew the president needed her, but her family needed her, too. Her son was not happy in Washington; neither was her husband. After much soul-searching, she concluded that she could do a better job of serving the president from Texas than of serving her family from Washington. “I love you, Mr. President,” she told him, “but I have to move my family back to Texas.” She continued to serve Bush from her home in Austin and laughed about the so-called “balance” she found. When she looked at the wall calendar in her kitchen, she found the State of the Union address side by side with her son’s orthodontist appointments.

**Ben-Gurion**-Shim’on Peres 2011 A revelatory portrait of Israel's first prime minister, written by its current president, includes coverage of his support of the United Nations 1947 Partition Plan for Palestine, his granting of first exemptions to Orthodox military servicepeople and his peaceful overtures toward post-Holocaust Germany.

**Yigal Allon, Native Son**-Anita Shapira 2015-06-30 Born in 1918 into the fabric of Arab-Jewish frontier life at the foot of Mt. Tabor, Yigal Allon rose to become one of the founding figures of the state of Israel and an architect of its politics. In 1945 Allon became commander of the Palmah—an elite unit of the Haganah, the semilegal army of the Jewish community—during the struggle against the British for
independence. In the 1947-49 War of Independence against local and invading Arab armies, he led the decisive battles that largely determined the borders of Israel. Paradoxically, his close lifelong relations with Arab neighbors did not prevent him from being a chief agent of their sizable displacement. A bestseller in Israel and available now translated into English, Yigal Allon, Native Son is the only biography of this charismatic leader. The book focuses on Allon's life up to 1950, his clash with founding father David Ben-Gurion, the end of his military career, and the watershed in culture and character between the Jewish Yishuv and Israeli statehood. As a statesman in his more mature years, he formulated what became known as the "Allon Plan," which remains a viable blueprint for an eventual two-state partition between Israel and the Palestinians. Yet in the end, the promise Allon showed as a brilliant young military commander remained unfulfilled. The great dream of the Palmah generation was largely lost, and Allon's name became associated with the failed policies of the past. The story of Allon's life frames the history of Israel, its relationship with its Arab neighbors, its culture and spirit. This important biography touches on matters—Israel's borders, refugees, military might—that remain very much alive today.

The Free Economy and the Strong State - Andrew Gamble 1994-05-24 The Thatcher era was a turbulent and controversial period in British politics. Andrew Gamble's authoritative account - now revised and updated to cover Thatcher's fall and legacy - analyses the ideology, statecraft, and economic and social programme of the Thatcher Government. He explores rival interpretations of Thatcherism and assesses the evidence for claims that the Thatcher Government transformed British politics. A new conclusion considers the Conservative Party after Thatcher.

Sunbathing I Want To - Nicholas Dolinger 2020-05-23 This little book is a violent poetic
tantrum, an act of rage against a city which erects vacant monuments to its ogreish mercantile religion and murders masses of its children in the furnaces of the demons. Yet, in the midst of unthinkable decadence and brutality, there lies a sublime beauty, a desperate but sensational lyricism which is only found in close proximity to death and cataclysm. This poem exhumes the ancient city of Carthage, a bastion of the most sinister tendencies of human civilization, with terrifying implications for the island of Manhattan, a city which assented to its own doom when it built the skyscraper on 432 Park Avenue.

The Handbook of Israel's Political System
Itzhak Galnoor 2018-04-30 There is growing interest in Israel's political system from all parts of the world. This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre-state period to the present. The themes covered include: political heritage and the unresolved issues that have been left to fester; the institutional framework (the Knesset, government, judiciary, presidency, the state comptroller and commissions of inquiry); citizens' political participation (elections, political parties, civil society and the media); the four issues that have bedevilled Israeli democracy since its establishment (security, state and religion, the status of Israel's Arab citizens and economic inequities with concomitant social gaps); and the contours of the political culture and its impact on Israel's democracy. The authors skilfully integrate detailed basic data with an analysis of structures and processes, making the Handbook accessible to both experts and those with a general interest in Israel.

Benjamin Netanyahu-Elisa Silverman 2015-09-01 This series gives kids from other parts of the world insight into various aspects of life in Israel today. Written and crafted by three authors currently living in Jerusalem, this series is the first of its kind to bring such insight to
children. This narrative biography of Israel's outspoken prime minister includes his early life, young adulthood, political career, and challenges he faces in office.

**The Book of Shiva** - Ravi Shankar Etteth  
2016-02-10 A profound work of spiritual fiction with a heartwarming message Asananda, a monk belonging to the Order of Hope, is sent on a journey to the Himalayas by his guru to find the mystical Book of Shiva. Along the way, he meets mysterious tantrics, Vedic teachers, a bhikshu who walks backwards to discover his future, and people who seek liberation from remorse, suffering and the evil that haunts them. He becomes the instrument of the guru's grace, which opens the door to the universal soul and transforms life through unexpected miracles. Drawing on fables and myths from Eastern and European cultures, *The Book of Shiva* is a spiritual novel filled with extraordinary tales of freedom, serenity, loss and, most of all, wisdom.

**Citizen Coke: The Making of Coca-Cola Capitalism** - Bartow J. Elmore 2014-11-03
"Citizen Coke demonstrate[s] a complete lack of understanding about . . . the Coca-Cola system—past and present." —Ted Ryan, the Coca-Cola Company

How did Coca-Cola build a global empire by selling a low-price concoction of mostly sugar, water, and caffeine? The easy answer is advertising, but the real formula to Coke’s success was its strategy, from the start, to offload costs and risks onto suppliers, franchisees, and the government. For most of its history the company owned no bottling plants, water sources, cane- or cornfields. A lean operation, it benefited from public goods like cheap municipal water and curbside recycling programs. Its huge appetite for ingredients gave it outsized influence on suppliers and congressional committees. This was Coca-Cola capitalism. In this new history Bartow J. Elmore explores Coke through its ingredients, showing how the company secured massive quantities of coca leaf, caffeine, sugar, and other inputs. Its
growth was driven by shrewd leaders such as Asa Candler, who scaled an Atlanta soda-fountain operation into a national empire, and “boss” Robert Woodruff, who nurtured partnerships with companies like Hershey and Monsanto. These men, and the company they helped build, were seen as responsible citizens, bringing jobs and development to every corner of the globe. But as Elmore shows, Coke was usually getting the sweet end of the deal. It continues to do so. Alongside Coke’s recent public investments in water purification infrastructure, especially in Africa, it has also built—less publicly—a rash of bottling plants in dangerously arid regions. Looking past its message of corporate citizenship, Elmore finds a strategy of relentless growth. The costs shed by Coke have fallen on the public at large. Its annual use of many billions of gallons of water has strained an increasingly scarce global resource. Its copious servings of high-fructose corn syrup have threatened public health. Citizen Coke became a giant in a world of abundance. In a world of scarcity it is a strain on resources and all who depend on them.

**Shimon Peres**-Michael Bar-Zohar 2007 Traces the life and political accomplishments of the Polish-born, former Israeli prime minister who won the Nobel Peace Prize for his negotiation of the 1993 Palestinian-Israeli peace accord.

**The Prince of Darkness**-Robert D. Novak 2008-09 New York Times Bestseller A landmark achievement The Prince of Darkness is not simply the stunningly candid memoir of one of the country’s most influential reporters but also a riveting history of the past half century in American politics.

**The Arab-Israeli Conflict**-Efraim Karsh 2014-06-06 The Palestine War has been by far the most important military encounter in the history of the Arab-Israeli conflict. This book examines the origins of the war and its
progression through two distinct stages: the guerrilla warfare between the Arab and Jewish communities of Mandatory Palestine, and the conventional inter-state war between the State of Israel and the invading Arab armies. In doing so it assesses the participants, their war aims, strategies and combat performance. Finally, it examines the reasons for Israel's success in the face of seemingly impossible odds and for the failure of the Arab nations to turn their military and numerical superiority into victory on the ground.

**Many Love**-Sophie Lucido Johnson 2018-06-26
“A fast-paced debut... A candid, modern take on polyamory for fans of memoirs and graphic novels, and anyone interested in stories of dating, love, and romance.” —Library Journal

After trying for years to emulate her boomer parents’ forty-year and still-going-strong marriage, Sophie realized that maybe the love she was looking for was down a road less traveled. In this bold, graphic memoir, she explores her sexuality, her values, and the versions of love our society accepts and practices. Along the way, she shares what it’s like to play on Tinder side-by-side with your boyfriend, encounter—and surmount—many types of jealousy, learn the power of female friendship, and other amazing things that happened when she stopped looking for “the one.” In a lot of ways, Many Love is Sophie’s love letter to everyone she has ever cared for. Witty, insightful, and complete with illustrations, this debut provides a memorable glimpse into an unconventional life.

**Sharon**-Gilad Sharon 2011-10-25
Drawn from extensive personal archives and filled with startling revelations, the definitive biography of Ariel Sharon illuminates his life and work from the penetrating perspective of his youngest son, Gilad Sharon—one of his father’s closest confidants. Readers of George W. Bush’s Decision Points, Tony Blair’s A Journey, Yitzhak Rabin’s The Rabin Memoirs, and Moshe Dayan’s Story of
My Life, as well as Benjamin Netanyahu’s A Durable Peace, will be fascinated by Gilad Sharon’s piercing, authoritative, and intimate portrait of Ariel Sharon the Prime Minister, the father, and the military hero, in a narrative that traces his evolution into a powerful and influential force at the center of Middle Eastern and world politics.

Catch The Jew!-Tuvia Tenenbom 2015-02-01
Catch the Jew! recounts the adventures of gonzo journalist Tuvia Tenenbom, who wanders around Israel and the Palestinian Authority for seven months in search of the untold truths in today’s Holy Land. With holy chutzpah, Tenenbom boldly goes where no Jew has gone before, at times risking his life as he assumes the identities of Tobi the German and even Abu Ali in order to probe into the many stories in this strange land and poke holes in all of them. From the self-hating leftists in Tel Aviv to the self-promoting PLO execs in Ramallah, from the black-clad Haredim of Bet Shemesh to the glowing foreign human rights activists in Beit Hanina, from Jewish settlers and the Christians who come from abroad to toil with them to ardent Jerusalem monks and Bedouins in surprisingly glorious shacks, Tenenbom takes on the people of the land, getting to know them and disarming them as he breaks bread and mingles with anyone and everyone. Does Palestinian wife number one hate the Jews more than she hates wife number two? Who finances cash-rich NGOs pursuing a Judenrein Israel? Who sets Palestinian olive groves on fire and why? What is the emotional gravity that pulls idealistic human rights activists from other countries to Israel and only to Israel? Who are the flaming feminists who sacrifice their lives for the rights of polygamists? Whose land is this, anyway? By turns poignant, enraging, and laugh-out-loud funny, this unique travelogue lays bare the intensity of this turbulent land in an unprecedented, eye-opening education, person by person, city by city, and meal by meal. You will never look at Israel the same way again.
**The Age of Assassins** - Iūriĭ Fel'shtinskiĭ 2008
Felshtinsky investigates how Russia under Putin became the first country in history to be ruled by its secret service. Using first-hand information from former oligarchs and KGB spies, he describes how the power has shifted away from the oligarchs to a small network of spies. Together they have created a power that was unimaginable even under Russian Communism.

**Brute** - Kim Fielding 2012-12-03
Brute leads a lonely life in a world where magic is commonplace. He is seven and a half feet of ugly, and of disreputable descent. No one, including Brute, expects him to be more than a laborer. But heroes come in all shapes and sizes, and when he is maimed while rescuing a prince, Brute’s life changes abruptly. He is summoned to serve at the palace in Tellomer as a guard for a single prisoner. It sounds easy but turns out to be the challenge of his life. Rumors say the prisoner, Gray Leynham, is a witch and a traitor. What is certain is that he has spent years in misery: blind, chained, and rendered nearly mute by an extreme stutter. And he dreams of people’s deaths—dreams that come true. As Brute becomes accustomed to palace life and gets to know Gray, he discovers his own worth, first as a friend and a man and then as a lover. But Brute also learns heroes sometimes face difficult choices and that doing what is right can bring danger of its own.

**The Yom Kippur War** - Abraham Rabinovich 2007-12-18
An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history. The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel-Arab conflicts. A surprise Arab attack on two fronts on the holiest day of the Jewish calendar, with Israel’s reserves un-mobilized, triggered apocalyptic visions in Israel, euphoria in the Arab world, and fraught debates on both sides. Rabinovich, who covered the war for The Jerusalem Post, draws
on extensive interviews and primary source material to shape his enthralling narrative. We learn of two Egyptian nationals, working separately for the Mossad, who supplied Israel with key information that helped change the course of the war; of Defense Minister Moshe Dayan’s proposal for a nuclear “demonstration” to warn off the Arabs; and of Chief of Staff David Elazar’s conclusion on the fifth day of battle that Israel could not win. Newly available transcripts enable us to follow the decision-making process in real time from the prime minister’s office to commanders studying maps in the field. After almost overrunning the Golan Heights, the Syrian attack is broken in desperate battles. And as Israel regains its psychological balance, General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line — the turning point of the war.

A State at Any Cost  
Tom Segev 2019-09-24  
2019 National Jewish Book Award Finalist  
"[A] fascinating biography . . . a masterly portrait of a titanic yet unfulfilled man . . . this is a gripping study of power, and the loneliness of power." —The Economist  
As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he thereupon took control of the Zionist movement, declared Israel’s independence, and navigated his country through wars, controversies and remarkable achievements. And yet Ben-Gurion remains an enigma—he could be driven and imperious, or quizzical and confounding. In this definitive biography, Israel’s leading journalist-historian Tom Segev uses large amounts of previously unreleased archival material to give an original, nuanced account, transcending the myths and legends that have accreted around the man. Segev’s probing biography ranges from the villages of Poland to Manhattan libraries, London hotels, and the hills of Palestine, and shows us Ben-Gurion’s relentless activity across six decades. Along the way, Segev reveals for the first time Ben-Gurion’s
secret negotiations with the British on the eve of Israel’s independence, his willingness to countenance the forced transfer of Arab neighbors, his relative indifference to Jerusalem, and his occasional “nutty moments”—from UFO sightings to plans for Israel to acquire territory in South America. Segev also reveals that Ben-Gurion first heard about the Holocaust from a Palestinian Arab acquaintance, and explores his tempestuous private life, including the testimony of four former lovers. The result is a full and startling portrait of a man who sought a state “at any cost”—at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation, and reason. Segev’s Ben-Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill—a twentieth-century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today.
