The Battle of the Red Pepper Weenies
David Litman 2009-03-01 A fast-paced, first-person account of the 1964 battle in Angola's Katanga Province that left 12,000 dead. The author, an American reporter who was present at the massacre, describes how the battle played out and its aftermath, offering valuable insights into the conflict.

Hiwire's War
Harry Turtledove 2009-08-14 The second book in a series that imagines the outcome of a post-Civil War era where technology and magic coexist. This book continues the story of a man named Hal Finney, who must navigate the complexities of this world to save his family and protect the future. It's a thrilling adventure that will keep readers on the edge of their seats.

The Battle for Angola
Al J. Venter 2017-04-03 Following the publication of Al Venter's successful Portugal's Guerrilla War in Africa - shortlisted for the New York Military Affairs Symposium’s Arthur Goulart Book Award for 2013, this battle for Angola delves still further into the troubled history of this former Portuguese African colony. It is a completely fresh work running to almost 600 pages including 32 pages of color photos, with the main threat on events before and after the civil war that followed Lisbon's over-hasty departure back to the metrópole. There are also several sections that detail the role of South African mercenaries in defeating the rebel leader Morgan Tsvangirai's forces in the civil war that began in Zimbabwe in 1980. The book contains an excerpt from Harry Turtledove's The War that Came Early: West and East.

The Last of the Red-Hot Pepper Weenies
Katie MacAlister 2007 While traveling through England with her best friend, protagonist Portia Harding, accidentally summoning an eternal voice who goes by the gift of weather control, is stalked by Theodore North, the gorgeous son of an angel, who needs her in helping him change his fate.

After Cooling
Eric Dean Wilson 2021-07-06 This dizzying original work of literary rendition interweaves the science and history of the powerful refrigerant (and dangerous greenhouse gas) Freon with a haunting meditation on how to live meaningfully and morally in a rapidly heating world. In After Cooling, Eric Dean Wilson imagines a world still haunted by the legacy of 20th-century climate change, where an upstart technology has promised to provide a salvation.

The Story of the Good Little Boy
Harold G. Moore 2012-11-06 New York Times Bestseller: A “powerful and epic story . . . the best account of infantry combat I have ever read in my life.” — Michael Shaara 2004-11-01 In an effort to draw out the Union Army of the Potomac, the Confederate Army invades the North, and the armies clash in a bloody battle at Gettysburg, Pennsylvania, for four days.

The Last of the Red-Hot Pepper Weenies
Katie MacAlister 2021-06-15 In Ivory Shoals, twelve-year-old Gussie Dwyer--audacious, resilient, determined to adhere to the morals his mother instilled in him--travels to the sun-dappled port of Liverpool, England with an urgent mission for her hero, the man who delivered him safe from the jaws of death. His name is Captain Grant and together they must risk all to save a life葆l
