International Literacy Day Literacy for a human-centred adequate literacy and digital skills, while stepping up efforts to narrow the digital divide. This calls for attention to several policy areas, including providing literacy programmes with no and low-tech solutions for those who do not have access to internet and/or electricity, exploring

MALAYSIA DIGITAL ECONOMY BLUEPRINT internet and mobile phones. The COVID-19 pandemic amplifies the importance of the digital economy to ensure continuity in economic activities. The use of internet and technology advancement contributes to the rapid growth of data, which is the future commodity. Nevertheless, countries risk creating digital divide if the response to

Broadband for All Action Plan our reliance on broadband—and the importance of closing the digital divide. With school, work, and health care increasingly—or completely—available online as a public health imperative, Californians’ ability to access and use broadband became the difference between able …

The Global Risks Report 2021 - World Economic Forum Dec 20, 2020 · losses, a widening digital divide, disrupted social interactions, and abrupt shifts in markets could lead to dire consequences and lost opportunities for large parts of the global population. The ramifications—in the form of social unrest, political fragmentation and geopolitical tensions—will shape the effectiveness of our
