In time, these changes will manifest themselves on the material plane -- the world that you and I both live. In other words, magic is a way to harness the unseen energy of the Universe into particular thoughtforms that work to effect a change in the physical world. This might all sound rather complex, but we'll be exploring these principles in detail throughout this book to give you a solid grounding in candle magic.

Wicca-Sarah Kunkel 2020-05-30 Everything You Need to Know to Start Your Wiccan Journey Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magical side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in-a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the Internet-just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of Wicca is also growing in tandem with the increasing complexities of our modern, high-pressure mainstream society. You will discover: - The origins and history of Wicca and Witchcraft - The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats - Core elements of Wiccan ritual - Principles of magic-both ancient and modern - Choosing your Wiccan path - An overview of Wiccan covens, circles, and solitary practice - Magical tools & how to use them - Tips & guidelines for successful spellcasting - The phases of the moon & their importance - Spells for abundance, wealth, health, love and happiness - And much more! Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book.
