Comparison Analysis and Student Notes - Criminal Justice and the Military 1982

Military Crimes and Defenses, 3rd Edition. David A. Schlueter 2013-11-12 This book reviews the essential topic of military crimes and defenses. The reader will come to appreciate the complexity of this subject and how it applies to real-world situations. The book covers the basics of military crimes and defenses, including the classification of crimes, the elements of crimes, and the defenses available. The text is written in a clear and concise manner, making it easy for students to understand and learn from. The book is an excellent resource for students of criminal justice, military law, and related fields. The author's expertise in the field is evident throughout the book.

Military Criminal Justice: The military criminal justice system - David A. Schlueter 2021-11-12 This textbook provides an in-depth look at the substantive aspects of military justice and is designed to help both the experienced practitioner and the novice find a starting point for research. While exhaustive of neither topics discussed nor references cited, it does address fundamental concepts of criminal law and substantive criminal law problems. Two basic legal skills will be developed in the course: (1) Accurate identification of key issues in a factual situation, and (2) correct application of principles of military criminal law. This study guide is the primary text for students in the course and may also be useful to practicing judge advocates as a 'starting point' for research. While exhaustive of neither topics discussed nor references cited, it does address fundamental concepts of criminal law and substantive criminal law problems. Two basic legal skills will be developed in the course: (1) Accurate identification of key issues in a factual situation, and (2) correct application of principles of military criminal law. This study guide is the primary text for students in the course and may also be useful to practicing judge advocates as a 'starting point' for research.

Military Criminal Justice Practice and Procedure 7th Ed - David A. Schlueter 2018

An Essay on Military Law and the Practice of Courts Martial

Dogs are being trained to perform, ranging from cadaver detection to the discovery of explosives. It also describes the use of dogs to apprehend criminals and in search and rescue operations. Written for a wide audience including canine training professionals and practitioners such as military police, we hope it will be useful in a variety of situations.

Military Courts, Civil Military Relations, and the Western Legal System
