My First Origami Book-To Be Announced 2018-09-11 My First Origami Book is a wonderful introduction to the incredible Japanese craft of paper-folding. Origami is fun to do, requires only paper, and these 35 step-by-step origami projects will impress your family and friends. My First Origami Book is a wonderful introduction to the incredible Japanese craft of paper-folding. Origami is fun to do, requires only paper, and these 35 step-by-step origami projects will impress your family and friends. You can learn how to make all sorts of things, from amazing animals to things that fly, top toys, dazzling decorations, and gorgeous gifts and cards—and you won’t even require any help from an adult. All the projects are broken down into clear, illustrated steps, showing you every fold, and there are skill levels for each one so you can start with the easiest projects and, as your origami skills, improve, work your way up. As well as becoming skilled at origami, you can go on and use your newfound paper skills to craft beautiful gifts and cards.

My First Origami Book-Susan Akass 2011-08-11 With origami, the Japanese craft, you can turn ordinary pieces of paper into animals, decorations, toys and moreâ€”and My First Origami Book teaches you how, as well as other ways of using paper creatively. There are five chapters of 35 fantastic paper creations. Begin with â€”Animalsâ€™, from cows to whales and even a Chinese dragon! In â€”Flying Objectsâ€™, find out how to make the classic paper airplane, then try the kites or the space rocket. Make your bedroom and house beautiful with all the great â€”Room Decorationsâ€™ in chapter 3â€”what about paper bowls, a flower basket or chopstick wrappers? In the â€”Toysâ€™ chapter, once youâ€™ve had fun making your paper creations, you can play with them, too! Have a go at the spinning top or the fortune tellers. Finally, there are brilliant presents in â€”Giftsâ€™â€”â€”pop-out cards, crackers and folded fans. All the projects have instructions and cute artworks that are easy to follow, and each one has a grade, so that you can start with the easiest projects and, as your origami skills improve, move onto the trickier ones.

Origami Holidays-Catherine Ard 2014-12-15 Holidays are some of the most creative times of the year. Young artists often want to celebrate using their creations. This high-interest book will allow readers and artists alike to start their festivities with the Japanese paper folding art of origami. Cute Easter chicks, spooky Halloween skulls, and clever Christmas stockings are some of the inventive projects they'll want to try. They'll learn the basic folds and techniques of paper folding and build upon their skills until they can complete the most challenging project. Origami is for everyone!

Floating Origami-Joe Fullman 2015-12-15 For many, the fun of origami projects is in the folding. However, the crafts in this book provide tons of fun even after they're complete—they float! Use an origami canoe to carry a message to the middle of a lake, or play with a paper duck in the bathtub. Readers follow a series of steps to transform a square of paper into many cool floating origami creations, including a lotus flower. An introductory section highlights the basic folds and terms readers need to know and full-color photographs add further guidance to each step.

Origami Bugs-Catherine Ard 2014-12-15 Bugs can be squirmy, wriggly, and creepy. Origami bugs are just cool! With this engaging book and a few sheets of paper, young artists will read about and create bees, cicadas, butterflies, and other interesting insects. Colorful photographs, guiding illustrations, and numbered directions make each activity accessible, no matter the artist's level of proficiency. After completing this book, readers will want to make more origami creatures and other creations.

Origami Space-Catherine Ard 2014-12-15 Future engineers will love using their hands to create the space-related projects in this fun book, including a rocket, a space shuttle, and even an alien and its spacecraft. They'll be amazed that a simple piece of paper can transform into such cool shapes, all through the Japanese art of paper folding. Numerous visual aids and thoughtfully explained directions guide readers through different challenges. The folds and methods they'll learn will help them establish a solid understanding for further origami endeavors. Science and art collide in this accessible and entertaining activity guide.

Origami Monsters-Catherine Ard 2014-12-15 Monsters are high-interest topics for today's readers, and activities about monsters make this book irresistible! In this entertaining volume, monster enthusiasts will love learning how to create origami figures of Dracula, Frankenstein, the Loch Ness Monster, and more. They'll become skilled at the basic folds and techniques needed for each project through illustrations and easy-to-follow instructions. After completing the fun activities in this book, readers can design and make their own ghoulish creations using the ancient art of paper folding.

Origami Planes-Catherine Ard 2014-12-15 The angles and curves of aircraft are paramount components in their flight. Airplane enthusiasts will love the action photographs of their favorite planes and then creating their own with some paper and the art of origami.
