The Conservative Heart: How To Build A Fairer Happier And More Prosperous America

The Conservative Heart is a call to re-energize the conservative movement. It is a heartfelt appeal on behalf of old-fashioned decencies and values, which are the bedrock of our country. It is a roadmap to arrive at the happiness that comes when we choose to love one another, as neighbors first and fellow citizens next, without prejudice or fear. And most of all, it is a blueprint for modern conservatism. This book is a reminder that we are all Americans and that we share the same hopes and dreams.

The Conscience of a Conservative

The Conscience of a Conservative is a search for that elusive American spirit: the American spirit of the center. In this book, Governor Edwards explores the history of American conservatism, from its beginnings in the 1950s to the present day. He examines the key figures and ideas that have shaped the movement, and argues that the best way forward is through a balanced mix of principles and pragmatism.

The Mind of a Conservative

The Mind of a Conservative is a must-read for anyone interested in the history of American conservatism. In this book, author and former Senior Advisor to the President for Strategic Planning and Policy Stephen Hadley provides a comprehensive overview of the principles and policies that have guided the conservative movement over the past century. He explores the key figures and ideas that have shaped the movement, and offers a clear and concise explanation of the principles that underlie its success.

The Political outfielder: How to Build a Better Tomorrow for All of Us

The Political outfielder is a call to action for everyone who wants to make a positive difference in the world. In this book, author and former White House advisor Rob Greenfield shares his insights on how to use the power of politics to create a more just and equitable society. He offers practical advice on how to get involved, how to make your voice heard, and how to effect real change.
The American Revolution began with a group of British subjects who declared themselves independent of Great Britain and went on to establish the leading nation of the modern world. The story of the revolution is one of the most dramatic in history, and it is told in this book with vivid detail and profound insight. By examining the intellectual, social, economic, and political factors that led to the American Revolution, we can gain a deeper understanding of the forces that drove this revolutionary event and its impact on the world.

The Revolution began as a series of conflicts between the colonists and the British government over issues such as taxation, representation in Parliament, and the nature of the relationship between the colonies and the mother country. These conflicts were rooted in long-standing tensions between the British and their American colonies, which had been developing since the 17th century. The Revolution was fought on multiple fronts, including land battles, naval engagements, and political campaigns.

The American Revolution was a defining moment in world history, as it marked the beginning of the modern era of nation-states and the end of the age of empires. The Revolution also had a profound impact on American society, as it established the first modern nation-state and laid the foundations for the American political system.

The American Revolution is a potent testament to the importance of their message. These forgotten men and women have overcome, even when their leaders turned their heads. An insightful book about the triumph of this powerful movement, The New American Revolution: How the Right Won the White House, chronicles the triumphs and failures of the Republican Party in the 21st century.

The book charts the rise of Donald Trump and his Republican disciples, from the 2016 campaign to the 2020 election, and offers a candid portrait of the president and his administration. The New American Revolution is a must-read for anyone interested in the future of American politics.

The book is divided into six parts, each focusing on a different aspect of the Republican Party's struggle to remain relevant in the modern age.

- Part I: The Rise of Trump
- Part II: The Failure of the Establishment
- Part III: The Rise of the Insurgents
- Part IV: The Battle for the White House
- Part V: The Future of the Republican Party
- Part VI: The Lessons of the Revolution

The New American Revolution is a timely and important book that offers a fresh perspective on the political landscape of the United States. It is a must-read for anyone interested in understanding the modern Republican Party and the challenges it faces.

The New American Revolution is a must-read for anyone interested in the future of American politics. It offers a candid portrait of the Republican Party's struggle to remain relevant in the modern age and provides a compelling analysis of the forces that led to the rise of Donald Trump and his Republican disciples.
