**Objects of Design, from the Museum of Modern Art**-“The” Museum of Modern Art 2003 The book's 341 color plates, arranged in nine thematic sections, reveal the huge variety of aesthetic and conceptual viewpoints in design since the late nineteenth century and together trace the historical development of modern design as well as that of the Museum's celebrated design collection. The volume's authoritative texts include a preface by Terence Riley, The Philip Johnson Chief Curator of Architecture and Design at the Museum, and an introductory essay by Curator Paola Antonelli. The lavish plate section is enriched by numerous brief texts by these and other curators in the Architecture and Design department, which illuminate the entire course of modern design, its major styles, and its individual masterpieces. Objects of Design is the second in a series of three volumes on the holdings of the department, the first of which, Envisioning Architecture, surveys the Museum's extraordinary architecture drawings.

**Uncommon Type**-Tom Hanks 2017-10-17 A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!
