Reference Guide to the International Space Station-Gary Kitmacher 2010-11-01 The International Space Station (ISS) is a great international, technological, and political achievement. It is the latest step in humankind's

quest to explore and live in space. The research done on the ISS may advance our knowledge in various areas of science, enable us to improve life on this planet, and give us the experience and increased understanding that can eventually equip us to journey to other worlds. As a result of the Station's complexity, few understand its configuration, its design and component systems, or the complex operations required in its construction and operation. This book provides high-level insight into the ISS. The ISS is in orbit today, operating with a crew of three. Its assembly will continue through 2010. As the ISS grows, its capabilities will increase, thus requiring a larger crew. Currently, 16 countries are involved in this venture. The sophisticated procedures required in the Station's construction and operation are presented in Amazing 3D Graphics generated by NASA 104 pages of spectacularly detailed color graphics the Space Station as you've never seen it before!

Lost Lessons 2-Randy Johnson 2015-04-01

LOST Lessons was written by Randy Johnson and David Rutledge. The book has been well received and is reaching varied individuals. Young adults

who are dedicated followers of Jesus Christ are learning to see media, Hollywood and even the world from a Christian perspective, while those who aren't necessarily connecting with a church are seeing Jesus in a fresh way. Based on this success, the authors decided to write on Season 2 of LOST, but with a twist: they involved 56 high school juniors and seniors

Overcoming Me-Jewel Adams 2015-01-01 God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn. It took me a long time to figure this out and I am grateful for what I have learned. But those lessons did not come without a price. In this little book, I will humbly share some of what I have learned.
